

OFFICIATE LOUISIANA - Bulletin #4 – Parking Options

As previously communicated, we do not believe parking at the Marriott Hotel is a good option. We suggest the best option is for you to locate an official in the New Orleans area, arrange to park at his/her home, and Uber downtown. Should you decide to drive downtown, below is a map followed by the specific location and contact information for parking lots near the Marriott Hotel. **WE STRONGLY ADVISE THAT YOU CONTACT THE FACILITY IN ADVANCE TO CONFIRM THAT IT PROVIDES 24 HOUR PARKING AND THE RATES IT CHARGES.**
